Wines

2009 ROLLING PINK

Rolling Wines are sourced from the Central Ranges area our vineyard, in the foothills surrounding the town of Orange, NSW. The continual cool temperatures, coupled with intense sunlight, gives the fruit incredible colour and vibrant flavours.

With the Rolling brand, we've created a range of fantastic, easy drinking wines. A great companion for food or just to enjoy on their own.

THE WINE

Aroma	Vibrant pink in colour. Lifted berry aromas, dominated by strawberry and raspberry, open the nose with candied fruit and subtle spice.
Palate	A generous wine on the palate. Lovely sweet fruit fills the mouth. Ripe strawberries and cherries are perfectly balanced by a touch of cool climate leafiness. A serious Rosé full of flavour.
Eat with	Smoked salmon pâté, grilled figs with gorgonzola or lemon spaghetti with poached eggs & rocket. Deliciously Pink!

WINEMAKERS' NOTES

Winemaker	Debbie Lauritz
Region	Central Ranges, New South Wales
Alcohol	13.5%

VINTAGE

Moderate rains during Spring and early Summer meant healthy canopies and good soil moisture producing fruit with a real generosity of flavour. Overall crop levels were moderately low, with Shiraz crops significantly down. We selected a couple of earlier ripening Shiraz blocks with low cropping levels and pretty, lifted berry characters for this Rosé.

WINEMAKING NOTES

The Shiraz grapes for this Pink wine were picked from Blocks 24 & 29 during the last week of February. To enhance the bright cherry characters the fruit was de-stemmed but not crushed, chilled down to 10°C and held on skins for 12 hours. The two parcels of juice were clarified and inoculated separately before being combined once the ferments were active. A slow cool ferment (12-14 °C) lasted for 18 days and was stopped just short of dryness. The wine was then fined and bottled as crisp and fresh as possible.
