SACRED HILL

Sacred Hill was inspired by the name given by a local hermit to the low rocky outcrop that overlooks the Riverine plain. The hermit, who now has almost mythical status in the region, inhabited a cave in the hillside for many years. Sacred Hill has won awards at major national and international shows including Best Value awards. Leading wine writers have extolled the exceptional quality and value of this popular brand.

Winemaking

Fruit is picked very ripe and the base wine is fermented to 10° Baumé then fortified to halt fermentation, retaining the wine's natural sweetness. The desired flavour profile was achieved by identifying the most suitable parcels of wine during fermentation and blending these back with aged tawny material which has been matured on oak. A combination of American and French oak is used.
