Windy Peak

of AUSTRALIA

Windy Peak wines are made at our Dixon's Creek winery in the Yarra Valley from carefully selected fruit. Fruit sources include the family vineyards in the Yarra Valley and King Valley. Windy Peak consistently overdelivers on quality and offers exciting varieties such as Pinot Grigio and the new hybrids Nouveau Shiraz and Classic White. Generous in flavour with fine grained texture, Windy Peak is perfect for bringing out the best in food.

SAUVIGNON BLANC SEMILLON 2008

Region

Victoria

Appearance

Light straw colour with green edges

Bouquet

Clean and fragrant grassy aroma with subtle tropical fruit characters

Palate

Typical Sauvignon Blanc varietal characters of gooseberry and grassy notes. The Semillon contributes citrus notes and a tight acid backbone. The palate shows delicacy, freshness and texture.

Vintage Conditions

A warm and dry growing season allowed both Sauvignon Blanc and Semillon grapes to reach physiological ripeness at desired sugar levels.

Winemaking

Once the fruit was at optimal maturity, it was harvested in the cool of the night and gently pressed. This helps retain varietal character and freshness. Once pressed, the juice was roughly clarified and allowed to ferment in both stainless steel and older French oak casks. Fermentation temperatures were allowed to peak at 20°C. These techniques improve texture and softness without sacrificing varietal expression. 20% barrel fermentation in older French oak casks.

Wine Analysis

Alc/Vol : 12.0% pH : 3.25 TA : 5.8 g/L

Cellaring

This wine is made for immediate enjoyment. It will, however, continue to soften and develop more complexity with careful short term cellaring.

Suggested Cuisine

This wine is an ideal accompaniment to seafood, Thai and Vietnamese dishes.
