## Houghton Sparkling Rosé

Ed Carr, the "Guru" of Constellation Wines Australia (formerly Hardy's) has once again wave his magic wand, this is a delicious drink-young style sparkling. A delicate, clean, fresh, & simple wine with good length. The Houghton Sparkling Rosé is dark cherry pink in colour with rose petal and wild berry aroma on those nose. It has deeper than expected flavours, bold, slightly sweet on the palate balanced by crisp natural acid, with a reasonably dry finish.
