# LINDEMANS

## Bin 25 Brut Cuvée NV

LINDEMANS wines promise more than the partnering of quality grapes and craftsmanship. Every wine also contains the spirit and passion of our founder, Henry J Lindeman. LINDEMANS Bin Series is internationally recognised as one of the best value-for-money wine ranges available throughout the world. Renowned for consistency and quality, this is achieved by LINDEMANS firm adherence to the style formula, and sourcing the best parcels of fruit each vintage from a wide array of premium growing areas throughout the southern states of Australia.

By focusing on this fruit they have created a range of wines that are immediately appealing and offer maximum satisfaction. LINDEMANS Bin 25 Brut Cuvée has developed complexity as a result of the secondary fermentation and bottle aging prior to release.

### Regional Source

South Eastern Australia.

### Grape Variety

A blend of premium sparkling wine grape varieties.

### Maturation

Portions of this wine were matured on yeast lees.

## Winemaker Comments: Marie Clay

### Colour

Pale lemon gold with a steady, fine bead.

### Nose

The bouquet is fresh and inviting, showing complex fruit characters enhanced by bread-like yeast aromas.

### Palate

On the palate the wine is rich, complex, and flavoursome, featuring soft fruit characters and crisp acidity with a refreshing dry finish. Malolactic fermentation of some of the base wines and bottle maturation on yeast lees have contributed to the full mouth-filling flavours and soft creamy texture.
