

MCGUIGAN WINES

BLACK LABEL ROSÉ 2008

- Region South Eastern Australia
- Colour Vibrant pink
- Aroma Bursting with fresh, lively cherry and strawberry aromas
- Palate Made from flavoursome shiraz grapes, this rosé is bursting with juicy cherry and strawberry flavours. It has a clean, smooth finish which makes it perfect as an aperitif on its own or as an accompaniment to a meal.
- Food The fresh characters of this wine match it well with seafood, chicken and tomato based pasta dishes.
- Notes Flavoursome shiraz fruit was selected from our company vineyards in the Murray Darling region of South Eastern Australia to create this lively, easy drinking wine. Harvested early in the season and at night to keep temperatures at the optimum level for fresh berry flavours. After crushing, the juice was kept on the skins for only a couple of days to deliver the wonderful vibrant rosé colour. Fermentation then occurred in stainless steel tanks before being fined and bottled. Natural fruit sweetness has been retained in this wine, making it a perfect partner for summer dishes and good times.
- TECH Alc 12.5% pH 3.31 RS 9.3 g/L
