

MCGUIGAN WINES

Discover 2008 Rosé

REGION Limestone Coast, South Australia

COLOUR Bright pink

AROMA Displays a fragrant bouquet of cherry and strawberry with a hint of rose petals.

PALATE This lively rosé delivers lovely red berry flavours, reminiscent of wine gum lollies. The crisp and vibrant flavours provide a rounded and generous feel which is completed with a refreshing, zingy finish.

FOOD Rosé is a truly versatile wine which can be paired with a wide range of foods including a sizzling summer BBQ.

NOTES The fresh light colour of this wine is achieved by allowing a short period of juice contact with the skins. The cabernet sauvignon grapes from the Limestone Coast region of South Australia were crushed in the cool of the night and remained in the press for 12 hours. The juice was then pressed and clarified before fermentation at low temperatures for 2 weeks.

TECH Alc 13.5% pH 2.98 RS 4.2g/L

DISCOVER RANGE

“The wine making team can be well satisfied with their efforts. These are smart wines, easy-to-drink and of exceptional value.”

John Fordham, Wine Writer The Sunday Telegraph
