

# SPARKLING CABERNET SAUVIGNON NV

This Sparkling Cabernet Sauvignon has been created in the long line of Tyrrell's Sparkling wines produced since the early 1970's. This is a full but complex wine style with an attractive hint of dryness following the fizzy cabernet fruit. A sweet and a rather exciting alternative to simple Cabernet Sauvignon.

## WINEMAKER'S NOTES

This sparkling Cabernet Sauvignon has been created by blending the fruit Cabernet components to create a wine ideal for early consumption. Grapes were picked and parcels matured in a combination of new and two to three year old oak for added complexity. These parcels were then blended together to create the Cabernet Sauvignon. Prior to bottling the components were crafted together to create the Sparkling Cabernet Sauvignon. Alc 13%

## TASTING NOTES

Sweeter and richer than most sparkling reds, this Sparkling Cabernet Sauvignon mixes the full, round, blackberry flavour of the grape with a creamy softness from oak maturation, with the resultant wine providing an explosion of flavours and truly Cabernet Sauvignon fruit characteristics.

## SERVING SUGGESTIONS

This Sparkling Cabernet Sauvignon matches very well with a wide variety of foods, including spicy sausages, kebabs, spicy Asian cuisines or simply your favourite red meat dish. Enjoy this wine chilled.

## OTHER WINES IN THE RANGE

- Tyrrell's Premium Brut
- Tyrrell's Ashman's Brut
- Tyrrell's Pinot Noir Chardonnay Brut

*Australian Family Owned for 150 Years*
